

Emergency Communications & Radio Day

SATURDAY JUNE 22, 2024

10AM-3PM

Are You Prepared?

Do you have a GO-BAG? Find out what essential items you should include.
Know your ZoneHaven/Genasys code? Learn how to find it and why it's important.
Have a plan for emergencies in PV or Woodside? We can help you create one.
Wondering what happens when phones, cell service, and the internet go out? Discover reliable alternatives.

Join Us at WFPD Station 8!

- Meet your Volunteer CERT and amateur radio teams: Watch live demonstrations and get valuable information on emergency preparedness.
- PV Amateur Radio Club on the air: Participate in this exciting event, which aligns with the ARRL Field Day, where 40,000 amateur radio operators across the nation will be broadcasting!

Don't miss this opportunity to enhance your emergency readiness and learn from the experts.
We look forward to seeing you there!

Sponsored by the Portola Valley Emergency Preparedness Committee, the Portola Valley Amateur Radio Club, WPV-CERT, WPV-Ready, and Woodside Fire.
